

Dear Potential ARFTG Sponsor,

Thank you for your interest in sponsoring the upcoming 87th ARFTG Microwave Measurement Symposium in San Francisco, California on May 27, 2016 in conjunction with the International Microwave Symposium. This spring's conference is being held at the San Francisco Marriott Marquis, and the theme for this conference is "Measurements for Emerging Communications Technologies". In addition to supporting this event, your sponsorship will help further ARFTG endeavors, such as student fellowships and our student sponsorship initiative, and visibly demonstrate your company's commitment to the RF measurement community. Information on the conference can be found at the ARFTG web site: <http://www.arftg.org/>. We have three levels of sponsorship: Platinum, Gold, and Silver.

You may also want to consider sponsoring the 88th ARFTG event that will be held in December 2016 in Austin, Texas. As a benefit to ARFTG's repeat sponsors, we have added a second payment option. You can pay for only the upcoming ARFTG conference (87th) sponsorship or for a combined sponsorship of the next two ARFTG conferences (87th and 88th) at a discount.

| Level | Single ARFTG Only | Spring & Fall ARFTG |
|----------|-------------------|---------------------|
| Platinum | \$4000 | \$7200 |
| Gold | \$2000 | \$3600 |
| Silver | \$1000 | \$1800 |

As a sponsor of the conference, your company's logo, with a link to your company's home page, will be on the banner of the ARFTG web site. A list of sponsors is also included in conference materials. Additionally, sponsors are acknowledged with posters around the conference. While all sponsors share these acknowledgements, the higher level receive greater prominence and visibility on the above announcements.

Please let me know if you would like to sponsor either or both of the upcoming ARFTG conferences and feel free to ask me any questions you may have. Donations can be made by choosing the "Sponsor An Upcoming Conference" option under the Upcoming Conferences menu on the ARFTG web page (<http://www.arftg.org/>). Please note that ARFTG is a qualifying, US charitable organization, and your sponsorship donation may be tax deductible. *In order to maximize the exposure time for our sponsors, we would like to have responses and payments finalized by April 15, 2016.*

If in addition to or instead of a sponsorship, your company would like to exhibit at an upcoming ARFTG conference, please contact Joel Dunsmore (exhibits@arftg.org), our Exhibits Chair.

Thank you for your time and consideration.

Sincerely,

Mohamed Sayed
ARFTG Sponsorship Chair
