

# MTT-11 Interactive Forum on Nonlinear Measurements

- **MTT-11**
  - = IEEE MTT Technical Committee focused on Microwave Measurements
  - website: <http://mtt.org/committees/mtt-11/index.html>
- **Interactive Forum on 'Nonlinear Measurements'**
  - = newsgroup addressing questions related to measurements of nonlinear devices and circuits (both on-wafer and coaxial), measurement-based modeling, and measurements for wireless systems.
  - website: <http://mtt.org/committees/mtt-11/nmf.html>
  - selected bibliography with links to papers
  - moderators: Kate Remley and Dominique Schreurs
