

Dear Potential ARFTG Sponsor,

Thank you for your interest in sponsoring the upcoming 86<sup>th</sup> ARFTG Microwave Measurement Symposium in Atlanta, Georgia on December 1-4, 2015. This spring's conference is being held at the Georgia Tech Hotel and Conference Center in Atlanta, and the theme for this conference is "Microwave Measurements with Applications to Bioengineering and Biomedicine". In addition to supporting this event, your sponsorship will help further ARFTG endeavors, such as student fellowships and our student sponsorship initiative, and visibly demonstrate your company's commitment to the RF measurement community. Information on the conference can be found at the ARFTG web site: <http://www.arftg.org/>. We have three levels of sponsorship: Platinum, Gold, and Silver.

You may also want to consider sponsoring the 87<sup>th</sup> ARFTG event that will be held May 27, 2016 in San Francisco, California in conjunction with the International Microwave Symposium. The theme for the next ARFTG conference is Measurements for Emerging Communications Technologies. As a benefit to ARFTG's repeat sponsors, we have added a second payment option. You can pay for only the fall (86<sup>th</sup>) ARFTG sponsorship or for both the fall (86<sup>th</sup>) and spring (87<sup>th</sup>) ARFTG sponsorships at a discount.

Level	Single ARFTG Only	Spring & Fall ARFTG
Platinum	\$4000	\$7200
Gold	\$2000	\$3600
Silver	\$1000	\$1800

As a sponsor of the conference, your company's logo, with a link to your company's home page, will be on a banner on the ARFTG web site. A list of sponsors is also included in conference materials. Additionally, sponsors are acknowledged with posters around the conference. While all sponsors share these acknowledgements, the higher level receive greater prominence and visibility on the above announcements.

Please let us know if you would like to sponsor either or both of the upcoming ARFTG conferences and feel free to ask us any questions you may have. Donations can be made by choosing the online application form at [www.arftg.org](http://www.arftg.org) by selecting the menu item "Sponsor an Upcoming Conference" under "Upcoming Conferences" in the main menu. Please note that ARFTG is a qualifying, US charitable organization, and your sponsorship donation may be tax deductible. *In order to maximize the exposure time for our sponsors, we would like to have responses and payments finalized by October 19, 2015.*

If in addition to or instead of a sponsorship, your company would like to exhibit at an upcoming ARFTG conference, please contact Joe Gering ([exhibits@arftg.org](mailto:exhibits@arftg.org)), our Exhibits Chair.

Thank you for your time and consideration.

Sincerely,

Joe Gering & Gayle Collins  
ARFTG Sponsorship Committee
