Executive Committee

Dominique Schreurs **President**
 KU Leuven

Peter Aaen **Vice-President, Strategic Planning, & Nominations**
 University of Surrey

Joe Gering **Secretary & Sponsorship**
 Qorvo

Ronald Ginley **Treasurer, Standards, & MTT Liaison**
 NIST

David Blackham **Electronic Communication**
 Keysight Technologies

Jim Booth **Education**
 NIST

Joel Dunsmore **Exhibits**
 Keysight Technologies

Leonard Hayden **Publications**
 Qorvo

Jeffrey Jargon **Publicity**
 NIST

Jon Martens **Operations**
 Anritsu

Rusty Myers **Membership**
 Keysight Technologies

Patrick Roblin **Workshops**
 The Ohio State University

Andrej Rumiantsev **Electronic Publicity**
 MPI Corporation

Marco Spirito **Forums**
 Delft University

Jean-Pierre Teyssier **Awards**
 Keysight Technologies

Ex-Officio Members

John Cable **Executive Secretary**

CALL FOR PAPERS

The theme for the 95th ARFTG Microwave Measurement Conference (which is held as part of IMS week 2020) is:

“Microwave and Millimeter-Wave Measurements for the Connected World”.

Technical papers are solicited describing original work in areas of measurement for state-of-the-art and next-generation technologies for communications and sensing including, but not limited to:

- Millimeter-wave measurement techniques for communications and radars
- Millimeter-wave antenna and OTA testing
- Test methods for the manufacture for millimeter-wave and microwave components.

Topics always of interest include:

- RF/digital mixed-signal measurement and calibration
- Nonlinear / Large-signal measurement and modeling techniques
- Terahertz measurement techniques
- Calibration methods
- Materials measurement approaches
- Other topical areas of RF, microwave, millimeter-wave measurements

Deadlines

February 14, 2020	Paper summary due in PDF format.
March 9, 2020	Paper acceptance and classification will be communicated.
March 29, 2020	Publication-ready paper is due in PDF format.

Instructions for Authors

Contributed papers will be presented as 20-minute talks or in an interactive poster session. The final version of the papers will be published in the conference proceedings, and will be submitted as well to IEEE Xplore, provided it has been presented during the conference.

We request that authors submit a 4-page summary paper with supporting figures of both experimental setups and measurement results to enable evaluations of the novelty of the work. More details and submission instructions can be found at:

<http://www.arftg.org/index.php/upcoming-conference/author-instructions>.

Exhibit & Sponsorship

The 95th ARFTG Microwave Measurement Conference also offers an outstanding exhibition and sponsorship opportunity. Please contact our Exhibits and Sponsorship Chairs (exhibits@arftg.org, sponsorship@arftg.org) directly for further information.
